Types of Membership:

- Voting/Institutional – membership in this Association shall be limited to persons who are currently employed in community/technical college workforce education in Texas. *A college can have multiple institutional memberships and can add additional members.*
- Associate – membership may be held by state agencies or non-profit institutions or their individual employees who are interested in community/technical college workforce education, but not qualified for institutional.
- Retiree - membership may be held by any former voting member of the Association who is retired from full-time employment in community/technical college workforce education.
- Business – membership may be held by any business/industry that is involved in community/technical college workforce education in Texas and supports TACTE. This fee includes a one-half page ad in the Spring Conference Program.
